Artikel	Mängd Pall/st/m <sup>2</sup>	Bild, beskrivning
Skifferblock	8 pall	 A photograph showing several stacks of dark grey, rectangular slate blocks. The blocks are stacked on wooden pallets in an outdoor storage yard. The ground is gravel, and there are other stacks of materials in the background.
Skifferblock	8 pall	 A close-up photograph of stacked dark grey slate blocks. The blocks are rectangular and have a slightly textured surface. They are stacked on top of each other, showing the edges and the layered structure of the stone.

Kantsten olika storlekar		
Kantsten, olika storlekar		
Kantsten, special		

Mursten	11st	 A photograph showing several stacks of grey, rectangular concrete blocks. One stack is on a wooden pallet. The blocks are arranged in a neat row on a dark gravel surface.
Pollare	3st	 A photograph showing three decorative columns. Each column has a green body and a brown, fluted top. They are resting on a wooden pallet on a dark gravel surface.
